a work of art

Inspired by the dark yet dignified grandeur of 18th century neoclassical masters, we created our Adele Dining Chairs to emulate the elegant architecture and works of art from Greek and Roman antiquity. The legs and frame are beautifully hand-carved with rosettes and other detailing designed to resemble ancient columns. The simple, complementary seat and upholstered back let you sit in comfort as you contemplate the arts, both past and present.

product details

▸ Craftsman-built chair frames are constructed using solid, reinforced, hand-carved, kiln-dried oak for lasting strength and stability.

▸ Front legs are hand-carved to resemble Neoclassical columns and feature delicate rosette detailing.

▸ Cane chair backs are woven and finished by hand.

▸ Hand-applied finishes are distressed by furniture artisans to mimic a timeworn appearance and lacquered for added protection and subtle sheen.

▸ Seats are sustained by sinuous springs, foam padding, and a flexible network of durable rubber webbing for comfortable, evenly dispersed support.

▸ Top Grain Smoke leather develops natural texture and markings with use, creating a unique, antique appearance.

▸ Barstool seat measures 31.5" h.

▸ Counter Stool seat measures 25" h.
