suave and sophisticated

our modern Ashby Collection features classic, midcentury-inspired silhouettes. Ashby's inset feet make each piece appear to float above your floor, and its deep seating is hand-fitted in chic, menswear-inspired performance fabrics—which are incredibly durable and virtually unstainable.

product details

- ▶ Selected from the highest quality hides in the world, our leathers are hand-finished to accentuate their natural color variations, distinct textures, and other unique features.
- ▶ Easy-to-clean, soft yet durable Crypton® performance fabric is engineered with stain-, odor-, and moisture-resistant technology in every fiber.
- ▶ Crypton fabrics are Earth-friendly, recyclable, and sustainably certified—free of harsh chemicals and halogenated flame retardants.
- ▶ Craftsman-built frames are constructed using solid, reinforced, laminate hardwood for lasting strength and superior stability.
- ▶ Frames made in America—this collection was handcrafted by upholstery artisans in North Carolina.

Arhaus upholstery is made using wood certified by the Sustainable Forestry Initiative.

Frames feature a recycled-steel Flexolator suspension system beneath seat cushions for evenly dispersed, firm yet flexible comfort.

- ▶ Backrests are sustained by flexible webbing for resilient support and stability.

Seat-cushion cores contain flexible, interconnected recycled-steel coils, which provide additional support and continuous comfort.

- ▶ Ottoman cushions are supported by flexible webbing.

Cushion cores are made with dense, eco-friendly foam made partly from sustainable, plant-based material.

your home

product details (cont'd)

Seat cushions are padded with sterilized down, feathers, and poly-fiber to create a relaxing, "sink-into" feel.

- ▶ Cushions are wrapped in cotton, down-proof casings to maintain their shape. Channel-stitching keeps padding in place for added resilience.
- ▶ Sectional components are held together by connectors to prevent shifting.
- ▶ Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.
