from the city of a hundred horizons

Our enchanting Asolo Dining Collection is meticulously brought to life by artisans perched among the lush mountains of Northern Italy. Using time-honored techniques, these craftsmen construct every Asolo piece from solid wood, imparting an elegant Old World aesthetic. Striking details are artfully hand-sculpted, and dramatic multi-tonal patinas are hand-painted with rich tones. Asolo's antiqued finishes are carefully distressed for a naturally aged appearance and protected to sustain their beauty for ages.

product details

- ▶ Dining tables are constructed from solid poplar wood and poplar veneers.
- ▶ Credenzas and Hutches are constructed from solid tulip wood and tulip veneers.
- ▶ Antique finishes are laboriously applied by hand-painting multiple layers of rich stains, which are then carefully distressed for a timeworn appearance.
- ▶ Finishes are lacquered for added protection and a subtle sheen.
- ▶ Curvaceous ridge detailing and moulding is meticulously carved by hand.
- ▶ Credenzas feature three cabinets—a central double-door cabinet containing a shelf and two drawers; and two flanking cabinets, each containing two shelves.
- ▶ This collection is artisan-crafted from natural materials with hand-applied finishes. Individual pieces may vary in color, pattern, shape, and texture, making each truly unique.
- ▶ Natural wood may display small splits, knots, joint lines, or other organic features that will not affect the quality or performance of your piece.
- ▶ Furniture made from natural wood may move slightly due to temperature and humidity. This is normal and should be expected from season to season.
- ▶ Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.
