DEFINING NEOCLASSICAL DETAILS AND HANDCRAFTED FINISHES

With its vintage silhouettes and artisan-applied finishes, our Athens collection will infuse your space with the ambiance and sophisticated charm of an old English library. Classically styled accents, hand-carved trim, and solid, wood panels are carefully designed to accentuate traditionally assembled desks and cabinetry. Each of these room-defining pieces is perfectly constructed to create the aesthetics of classically crafted furnishings complemented by contemporary functionality to accommodate your every need.

PRODUCT DETAILS

- + Our Athens collection is hand-crafted by skilled artisans from solid wood and matching veneers accented with recessed panels, moulding, and beadboard detailing.
- + Tuxedo Black pieces, made from mahogany, are hand-painted in a rich, dark tone, artfully antiqued by hand to create a subtly aged appearance.
- + Nimbus-finished pieces, made from yellow poplar, are smoothly hand-painted in a light grey color.
- + Stratus-finished pieces, made from yellow poplar, are hand-painted with a warm-toned, medium grey color.
- + Finished surfaces are coated by hand with soft lacquer for added protection and a subtle sheen.
- + Solid brass hardware complements hand-applied wood finishes with an antiqued patina.
