## classic design versatility

Available in a wide variety of sizes, shapes, and colors, our Baldwin Fitted Collection was designed with classically styled seating arrangements to frame an inviting living space. Every piece was craftsman-built by dedicated artisans in North Carolina, using durable, kiln-dried hardwood, which is padded with expertly fitted upholstery. Timeless silhouettes feature traditional and rolled arms. With over 25 pieces to choose from, Baldwin has limitless design flexibility.

### product details

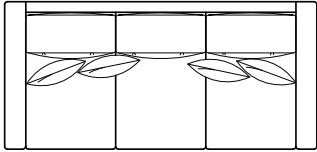

- ▶ Craftsman-built frames are constructed using solid, reinforced, laminate hardwood for lasting strength and superior stability.
- ▶ Made in America—this collection was handcrafted by upholstery artisans in North Carolina.
- ▶ Arhaus upholstery is made using wood certified by the Sustainable Forestry Initiative.
- ▶ Frames feature a recycled-steel Flexolator suspension system beneath seat cushions for evenly dispersed, firm yet flexible comfort.
- ▶ Backrests are sustained by flexible webbing for resilient support and stability.
- ▶ Cushion cores are made with dense, eco-friendly foam made partly from sustainable, plant-based material.
- ▶ Seat cushions are padded with sterilized down, feathers, and poly-fiber to create a relaxing, "sink-into" feel.
- ▶ Cushions are wrapped in cotton, down-proof casings to maintain their shape. Channel-stitching keeps padding in place for added resilience.
- ▶ Solid steel swivel mechanisms are made in America and bolted to frames for lasting strength and reliability.
- ▶ Ottoman is on casters and is not stationary.
