## casual, soft, and incredibly comfortable,

our Beale Sectional's relaxed-yet-chic aesthetic elevates both small and spacious living rooms. Beale's versatile, modular design allows you to create the perfect arrangement for any living space, and easy-to-clean Crypton® Performance Fabric resists stains, odor, and moisture—with durable, Earth-friendly fibers engineered for everyday use by the whole family. Incredibly comfortable and incredibly durable? Beale is truly the best of both worlds.

### product details

- ▶ Expertly upholstered in easy-to-clean, soft yet durable Crypton® Performance Fabric—engineered with stain-, odor-, and moisture-resistant technology in every fiber.
- ▶ Crypton fabrics are Earth-friendly, recyclable, and sustainably certified—free of harsh chemicals and halogenated flame retardants.
- ▶ Craftsman-built frames are constructed using solid, reinforced hardwood for lasting strength and superior stability.
- ▶ Made in America—this collection was handcrafted by upholstery artisans in North Carolina.

Arhaus upholstery is made using wood certified by the Sustainable Forestry Initiative.

Frames feature a no-sag, recycled-steel, sinuous support system beneath seat cushions for evenly dispersed, firm yet flexible comfort.

- ▶ Backrests are filled with premium memory fibers for maximum loft, comfort, and long-lasting resiliency.
- ▶ Backrests are sustained by foam and flexible webbing for resilient support and stability.

Seat-cushion cores contain flexible, interconnected recycled-steel coils, which provide additional support and continuous comfort.

Cushion cores are made with dense, eco-friendly foam made partly from sustainable, plant-based material.

Seat cushions are padded with sterilized down, feathers, and poly-fiber to create a relaxing, "sink-into" feel.

- ▶ Cushions are wrapped in cotton, down-proof casings to maintain their shape. Channel-stitching keeps padding in place for added resilience.
- ▶ Sectional components are held together by connectors to prevent shifting.
- ▶ Keep your furniture looking its best. Visit [arhaus.com](http://arhaus.com) or speak to any Arhaus Design Consultant for care recommendations.
