organically inspired accent tables

Expertly crafted from Mexican palografico wood or guanacaste wood, our show-stopping Carrinna Occasional Tables are made from sustainably sourced lumber that features unique, natural coloring and organic variations in grain pattern. Veneers used to form each surface feature gorgeous patinas created by natural discoloration and weathering. Tabletops are carefully shaped by Mexican artisans, who give each piece its sophisticated, faceted design—showing-off both the character of the wood. Contemporary tripod table bases are made from steel with gorgeous satin gunmetal finishes to complement the tops' natural beauty.

product details

- ▶ Artisan-crafted tabletops are built from exotic Mexican palografico or guanacaste wood, showcasing stunning organic grain patterns and unique color variations caused by natural discoloration.
- ▶ Tabletops are made from patchwork veneers shaped by artisans into stunning, faceted surfaces finished with a semi-matte lacquer for added protection.
- ▶ Tripod table bases are built from steel finished with a gorgeous satin, gunmetal patina.
- ▶ Our wood furnishings are artisan-crafted using sustainably sourced materials from around the world, and the majority of our wood finishes are applied by hand. Due to this, individual pieces may vary in color, pattern, shape, and texture, making each piece truly unique.
- ▶ Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.
