Benedict Brown

Earl Grey

Ebony

## in perfect harmony

Designed for both function and style, our Chorus Theory collection is handcrafted to strike just the right notes in any space. Stunning storage and display pieces combine French casement details with neoclassical architectural elements. Craftsman-built from solid reclaimed pine, solid Finnish pine, and pine veneers, each Chorus Theory surface is softly hand-painted in versatile, neutral tones to complement your existing décor. Sophisticated finishes are accented with iron hardware and coated with lacquer for added protection and subtle sheen.

### product details

- Pieces finished in Rustic Blue, Barnwood Natural, Benedict Brown, and Earl Grey are made from solid reclaimed pine and pine veneers. Reclaimed pine is salvaged from old doors, homes, boats, and barns found in rural farming regions.
- In addition to its stunning natural features, our reclaimed wood is treasured in many of our collections as a contribution to preserving healthy and sustainable eco-systems.
- Pieces finished in Ebony are made from solid Finnish pine and pine veneers.
- Artisan-applied finishes begin by bleaching our reclaimed pine to even its tone, and end with a coat of lacquer for added protection and subtle sheen.
- Barnwood Natural finishes are achieved through light staining and waxing for a warm glow.
- Pieces finished in Ebony are hand-stained using a twelve-step process, wherein layered black and brown tones are accented by stunning distressed detailing.
- Rustic Blue finish is achieved through layers of paint and glaze to create a timeworn appearance.
- Earl Grey finishes are hand-painted, lacquered and waxed—accentuated with darker shades around edges for a naturally aged appearance.
- Benedict Brown finishes are hand-painted, lacquered, and waxed to reveal brown and grey highlights that complement the wood's surfaces.
- Wood finishes are accented with iron hardware, which is also lacquered to prevent oxidation.
- Keep your furniture looking its best. Visit [arhaus.com](http://arhaus.com) or speak to any Arhaus Design Consultant for care recommendations.
