

Floorplanner Quick Start Guide

ACCOUNT CREATION

- Bookmark Floorplanner: <https://arhaus.floorplanner.com/>
- Use the “Sign up” link to create a Floorplanner account or “Log in” to your existing account
 - Be sure to use the same email address you use for the Dashboard
- If you need help, use the “Contact us” link on the login page (show?)

Floorplanner Quick Start Guide

USING FLOORPLANNER

- Trade Members can create projects and track them in their dashboard
- If you select “Template/brand” = Arhaus, you will automatically be upgraded to a Level 2 project and will be able to render your images in full HD Quality
- You can then choose from our Roomstyles or start with an empty plan

HELPFUL RESOURCES

- Find everything you need (including a downloadable manual and videos) to get the most out of Floorplanner at: <https://floorplanner.com/support>
