pure comfort wrapped in classic design.

Our Landsbury Sofa Collection fits living rooms both spacious and small. This transitional style features plush, padded cushions, rolled arms, and an abundance of toss pillows—resulting in a versatile foundation for your seating area. Hand-built by dedicated upholstery artisans in North Carolina, these pieces are durably constructed with sustainably sourced hardwoods. Deep and cozy cushions provide long-lasting support and a “sink into” feel.

product details

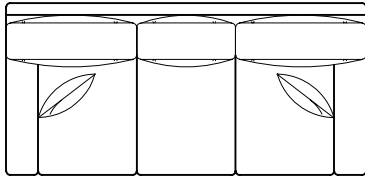

- ▶ Craftsman-built frames are constructed using solid, reinforced, laminate hardwood for lasting strength and superior stability.
- ▶ Made in America—this collection was handcrafted by upholstery artisans in North Carolina.
- ▶ Arhaus upholstery is made using wood certified by the Sustainable Forestry Initiative.
- ▶ Frames feature a recycled-steel Flexolator suspension system beneath seat cushions for evenly dispersed, firm yet flexible comfort.
- ▶ Backrests are sustained by flexible webbing for resilient support and stability.
- ▶ Cushion cores are made with dense, eco-friendly foam made partly from sustainable, plant-based material.
- ▶ Seat cushions are padded with sterilized down, feathers, and poly-fiber to create a relaxing, “sink-into” feel.
- ▶ Cushions are wrapped in cotton, down-proof casings to maintain their shape. Channel-stitching keeps padding in place for added resilience.
- ▶ Toss pillows are abundantly stuffed and encased in down-proof covers.
- ▶ Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.
