Finishes:

Burnished Natural

contemporary design complemented by classic styling

A beautiful balance of classic and contemporary design, our Luciano Dining Collection easily complements any dining room décor. Handcrafted by Indonesian artisans of solid oak and oak veneers, Luciano's transitional style is complemented by an array of rich, distressed, hand-painted finishes. Six drawers flanking a central cabinet are accentuated by brass hardware, and hand-carved, tapered spade feet are capped with classic, antiqued brass caps.

product details

- ▶ Craftsman-built from solid oak and oak veneers for superior strength and durability.
- ▶ Wood finishes are applied by hand and wire-brushed to reveal the natural wood grain underneath, resulting in a time-worn appearance.
- ▶ Finishes are lacquered for added protection and a subtle sheen.
- ▶ Cabinetry is accented by antiqued solid brass knobs embellished with intricate rosette detailing.
- ▶ Tapered, squared legs are hand-carved and punctuated by classic spade feet wrapped in antiqued brass caps.
- ▶ Features six spacious drawers for storing flatware, linens, and other entertainment accessories.
- ▶ Drawers are reinforced for lasting strength and feature metal ball bearing glides for smooth, effortless operation.
- ▶ Center cabinet features an adjustable shelf for storing larger serving pieces, small appliances, and more.
- ▶ This collection is artisan-crafted from natural materials with hand-applied finishes. Individual pieces may vary in color, pattern, shape, and texture, making each truly unique.
- ▶ Natural wood may display small splits, knots, joint lines, or other organic features that will not affect the quality or performance of your piece.
- ▶ Furniture made from natural wood may move slightly due to temperature and humidity. This is normal and should be expected from season to season.
- ▶ Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.
