stunning stonework

Like jewels designed to accentuate your living space, our Ludlow martini tables feature gorgeous tops artfully crafted from handpicked stone. Tabletops are aesthetically arranged by Indian artisans, who shape and place each stone to emphasize its layered patterns and rich, natural coloring. Assembled tabletops are bound in resin, polished, and cut to size. Simple iron table bases are brass-plated and finished with an antiqued patina.

product details

- ▶ Ludlow tabletops are crafted by Indian artisans from hand-picked stone complemented by brass-plated iron table bases.
- ▶ Stones used to create each tabletop are aesthetically arranged by hand according to color, size, and quality. Each piece is carefully shaped before the entire surface is bound with resin, smoothed, polished, and cut to size.
- ▶ Iron table bases are polished and antiqued by hand, creating a rustic, aged appearance.
- ▶ Petrified Wood tables feature bases with an antique zinc patina.
- ▶ Butter Jade, Royal Sodalite, Angle Jasper, Tiger's Eye, Botswana Quartz, Black Agate, and Grey Agate tables feature bases with a light antique brass finish.
- ▶ Finished bases are lacquered for added protection and subtle sheen.
- ▶ This collection is artisan-crafted from natural materials with hand-applied finishes. Individual pieces may vary in color, pattern, shape, and texture, making each truly unique.
- ▶ Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.
