an authentic work of art

Completely hand-carved over four days by a single artisan—each piece of our Mandara collection is sculpted from solid mahogany. Indonesian craftsmen create stunning designs in small, limited quantities using traditional, time-honored techniques. Featuring incredible detailing and intricately scrolling floral motifs, every wooden surface of these masterpiece cabinets is artisan-finished and lacquered for added protection and subtle sheen. Simple finishes emphasize every carved pattern, allowing natural shadows to define each sculpted line and curve.
