welcome aboard the portsmouth

Exuding quaint harbor charm, our Portsmouth Collection features dramatic silhouettes and rustic styling. Craftsman-built, solid beech frames are left exposed and finished by hand to accentuate the wood's natural markings. Seat backs are sectioned by three cross spalls, which suggest the exposed hull of a small wooden boat. And, luxurious upholstery—in chic fabric or rich, artisan-finished leather—is complemented by hand-applied nailheads and hand-carved, tapered legs.
