finding the perfect fit has never been easier

The chic, artisan-crafted Remington collection is an Arhaus favorite. Craftsman-built in the foothills of North Carolina, each piece showcases a contemporary silhouette with sleek edges and low arms, which can be styled to define your space. Luxurious yet extremely durable upholstery envelops our exclusive, spring-supported, down-blend cushions, creating deep, "sink-into" seating. Versatile sizing options allow you to customize your piece to perfectly fit your living room. The Remington Collection also features standard and oversized stationary chairs, swivel chairs, and ottomans, making it even easier to complete your ideal seating arrangement.

Cushion cores are made with dense, eco-friendly foam made partly from sustainable, plant-based material.

Seat cushions are padded with sterilized down and feathers—enveloped in down-proof casings—to create a relaxing, “sink-into” feel.

- ▶ Cushions are wrapped in cotton, down-proof casings to maintain their shape. Channel-stitching keeps padding in place for added resilience.
- ▶ Sectional components are held together by connectors to prevent shifting.
- ▶ Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.
