## nearly endless versatility

Featuring an artfully crafted modular design built for function as well as fashion, our Rowan collection can be arranged to fit any space. Pieces hand-built by Indonesian artisans are hand-painted and hand-stained, resulting in a clean, modern aesthetic accented by iron hardware—finished in pewter or brass tones. Glass-door cabinets are exquisitely adorned with reeded glass, which draws the eye upward, adding unique texture and subtly obscuring what's inside. Create everything from storage pieces and end tables to wall-spanning displays and all-encompassing media centers—just the way you want them.
