anything but basic

Elevated by artisanal craftsmanship and sophisticated detailing, our Spencer Collection lends practical storage and contemporary aesthetics to any space. Benchmark cabinets concealing adjustable shelves are constructed from white ash stained in versatile, neutral tones. Sliding doors feature glass panes elevated by matching, hand-stained mullions. Stack multiple cabinets together to create a dramatic and spacious storage solution.

product details

- ▶ Case frames are crafted from solid white ash and ash veneers.
- ▶ Finishes are painted by hand and lacquered for added protection and a subtle sheen.
- ▶ Sliding doors are complemented by solid brass pulls featuring an antiqued finish.
- ▶ Each cabinet features cord management holes to accommodate electronics and media equipment.
- ▶ Metal brackets with latch mechanisms keep stacked pieces securely in place.
- ▶ The underside of each piece is lined with velvet to prevent scratching while stacked.
- ▶ Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.
