a place to come together

Handcrafted from deeply grained Mexican oak and naturally oxidized metal, our Telluride Dining Table is as stunning as it is unique. Panels of solid iron are left outside to weather, giving each piece an authentic patina, while Mexican oak is lacquered to bring out its natural features. With artisan-made mortise-and-tenon joinery in each corner, Telluride tells the story of craftsmanship and natural beauty.

product details

- ▶ Handcrafted in Mexico, Telluride tabletops are made from Mexican oak.
- ▶ Metal table bases are handcrafted from panels of iron that are left outside to naturally oxidize, giving them an authentic, weathered patina.
- ▶ Due to their handcrafted nature, metal surfaces feature small dimples and other features—as a result of the finishing process—which add one-of-a-kind character to each piece.
- ▶ Hand-applied finishes are weathered and coated with polyurethane for added protection.
- ▶ This collection is artisan-crafted from natural materials with hand-applied finishes. Individual pieces may vary in color, pattern, shape, and texture, making each truly unique.
- ▶ Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.
