romantic ambience and old world charm

Like a full-bodied wine, our exclusive Tuscany Dining Collection is handcrafted in Italy and designed to become more beautiful with age. Every Tuscany piece is meticulously crafted from solid poplar—selected for its warm, rich color and fine grain—and each Tuscany surface possesses a unique “fingerprint” of patterns and textures accentuated by hand-applied finishes. Tuscany pieces are carefully distressed to impart the appearance of a naturally aged antique, adding timeless enchantment to your dining space.

product details

- ▶ Handcrafted by Italian artisans from solid poplar wood, selected for its warm, rich coloring and fine grain.
- ▶ Tabletops are complemented by hand-turned pedestal legs and hand-sculpted crown moulding for additional architectural interest.
- ▶ For a distinctive yet traditional silhouette, legs are connected by a horizontal trestle.
- ▶ Antique finishes are meticulously applied, brushed, and distressed to accentuate the poplar's natural features and create a gently aged appearance.
- ▶ Finished surfaces are coated with multiple layers of lacquer for added protection and a subtle sheen.
- ▶ Vintage-inspired, antiqued, brass pharmacy handles accentuate extension table leaves.
- ▶ Extension tables include two 20" leaves. Extensions are not self-storing.
- ▶ This collection is artisan-crafted from natural materials with hand-applied finishes. Individual pieces may vary in color, pattern, shape, and texture, making each truly unique.
- ▶ Natural wood may display small splits, knots, joint lines, or other organic features that will not affect the quality or performance of your piece.
- ▶ Furniture made from natural wood may move slightly due to temperature and humidity. This is normal and should be expected from season to season.
- ▶ Keep your furniture looking its best. Visit arhaus.com or speak to any Arhaus Design Consultant for care recommendations.
